POST-EVENT REPORT

# Angeion Group Mega Summit 2026

The premier conference dedicated to the nation's largest and most complex legal matters — class action, mass tort, bankruptcy, and personal injury.

## ABOUT THE SUMMIT

# The premier conference for the nation's most complex legal matters

The Angeion Group Mega Summit is dedicated to the nation's largest and most complex legal matters — exploring the intricacies of identifying, litigating, and resolving mega class actions, mass torts, bankruptcies, and personal injury cases.

It brings together leading minds across class action, mass tort, bankruptcy, and personal injury administration to share the insights, strategies, and innovations shaping the future of complex litigation. Designed for attorneys, judges, and industry professionals, it elevates best practices and helps deliver a more efficient, transparent, and equitable experience for all parties.

The opening reception at the Four Seasons Hotel Philadelphia at Comcast Center.

# Session Highlights

---

## Philadelphia Class Action Legends

An overview of the history of class actions in Philadelphia, featuring a conversation with some of the practitioners who shaped it.

---

## We Know Who They Are: Noticing & Administering Known Class Settlements

The challenges and strategies specific to settlements with a known class — covering outreach design, administration complexity, and lessons from practice.

---

## Do No Further Harm: Trauma-Informed Administration

How trauma-informed practices in notices, call centers, and payments protect claimants, reduce attrition, and promote fair and ethical outcomes.

---

## Modern Notice Design: Redefining “Best Practicable”

How practitioners are modernizing notice programs through traditional media, digital strategies, AI, and data tools to meaningfully reach absent class members.

---

## Class Action at the Supreme Court

The impact of recent Supreme Court precedent — standing, predominance, and arbitration — on how consumer claims are litigated, settled, and administered.

---

## Trauma-Informed Care Workshop

A dedicated workshop to obtain or refresh knowledge of trauma-informed care — the effects of trauma, its intersection with society, and trauma-informed interviewing skills, with the opportunity to practice.
